

**TRIO CONSULTING**

*Earned Value Management (EVM)*

## Trio Training delivers DAU certified training nationwide to meet *your* timelines.

Students learn the basic fundamental principals of **Earned Value Management (EVM)**. The course summarizes the language, data reports, metrics, graphs, and management processes associated with EVM. Students also learn the processes related to the Performance Measurement Baseline, the Integrated Baseline Review, and the American National Standards Institute/Electronic Industries Alliance (ANSI/EIA) for EVM systems. Finally, students evaluate and compute basic EVM metrics and EVM metric-based estimates at completion.

### Topics Covered:

- » Understanding the principals of EVM
- » How to implement the process and integrate it with existing management processes
- » Evaluating EVM results

Professionals required to support, execute or manage projects or programs that use EVM should take this course.

This course can be delivered remotely at a customer's site when requested.

See our current class schedule at [www.trio-consulting.com](http://www.trio-consulting.com)

### Benefits of Choosing Trio Consulting:

- » DCO account not required to participate in the course

- » Students are in a classroom that diminishes interruptions by staff and managers encouraging more interaction
- » DCO-Blackboard explained in course material
