

TRIO CONSULTING

Leadership Development Program

Trio delivers a lifelong development program including leadership certifications and focused, applied leadership

Trio's **Leadership Development Program** encompasses a broad range of educational opportunities designed to provide students with the skills, understanding and application of principles imperative to successful leaders and organizations. Trio, in partnership with our strategic associates, offers two distinct sets of leadership development; The Leadership Certification Program and The Applied Leadership Program.

Leadership Certification

Trio has partnered with The Leadership Certification Institute to deliver the full range of certified leadership courses; bronze, silver, gold and platinum. The Leadership Certification Institute recognizes four levels of leaders corresponding to the relationship to those they lead.

Applied Leadership

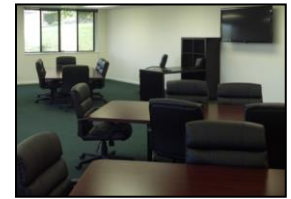

The application of leadership has unique challenges in certain circumstances. This set of courses offer leadership development in such areas as Stress, Values-Based, and for Non-Supervisory roles.
