## Start Your Business Right

The Trio Business Center – a unique, valuable resource for small and start-up businesses.

Starting a business is full of challenges. Helping you get your business off the ground by overcoming those challenges is what Trio's Business Center is all about.

Every business, whether you are a consultant, graphic artist, engineer, attorney, or just have a great idea for a new product, needs to succeed in a core set of challenges.

- Where do you conduct business? Meet investors? Meet clients?
- How do people reach you? Phone, email, internet?
- How do you network with partners and vendors?

Trio's business Center helps you address all these questions, and a lot more. We are a business incubator, operated by people just like you, ready and able to provide the key support, assistance, advice, and facilities when you need it most. Why go it alone when Trio Business Center is here to help?

### The Trio Business Center Offers

- Office Facilities
- Professional Business Services
- Training & Development
- Networking

### Office Facilities

Office space includes WIFI internet access, networked copier/fax/printer/scanner, and Business Center Services. The basic package also includes mail/package handling and professional phone support. We'll take care of the office – **so you can grow your business.**

The center also offers professional conference room access, and secure physical file storage. All members enjoy access to Cafe Trio, a respite in the middle of it all, offering free coffee and food service amenities.

Trio's facility is located in the heart of Lake Ridge, conveniently located off Old Bridge Road only a few miles from I-95 off exit 160 in Woodbridge, VA.

### Professional Business Services

Trio Business Center members enjoy access to our core network of experts who can offer a wide variety of specialized knowledge, skills, connections, and experience. So, whether you are trying to decide to hire an expert, or do it yourself, you can talk to a Trio Business Center professional. The list of topics where we can help is virtually endless, including...

Trio Consulting offers leadership, management and technology training and development, and defense management and technology consulting. We are a Defense Acquisition University Certified Equivalent Provider, a Service Disabled Veteran-Owned Small Business, and a proud supporter of the Wounded Warrior Project.
