

TRIO CONSULTING

SYS 203-II

Trio Consulting delivers DAU certified training nationwide to meet *your* timelines.

SYS 203, Intermediate Systems Planning, Research, Development, and Engineering, Part II, enables students to expand use of the DoD systems engineering (SE) processes and techniques learned in SYS 202. Participants work in integrated product teams (IPTs) and apply systems engineering technical and management processes to a defense system as it is developed across the various phases of the acquisition lifecycle. Students discuss requirements to design, develop, implement, oversee, and operate a CM program across the system lifecycle. SYS 203 is critical for Level II certification in the Systems Planning, Research, Development, and Engineering—Systems Engineering (SPRDE-SE) career field. Non- SE students will understand how systems engineering is applied to systems acquisition and sustainment.

Topics Covered:

- » Weapon Systems Acquisition Reform Act (WSARA)
- » Defense Acquisition Guide (DAG)
- » DoD SE Technical and Management Processes
- » DoD Systems Engineering Plans
- » Translating Requirements into System Specifications

SYS 203 is offered regularly at Trio's No VA facility, we can adjust classes based on demand, or **bring the class to you.**

See our current class schedule at www.trio-consulting.com

Benefits of Choosing Trio Consulting:

- » NO Restriction (Contractors Welcome)
- » Students earn DAU/DAWIA Certification Credits
- » Classes available when and where needed
- » Trio registration costs less than travel
- » Volume discounts available
- » Class registration available on-line
